

PERHCOURT STAINLESS

STAINLESS STEEL STOCKISTS

YOUR PARTNER FOR STAINLESS STEEL TUBES

Perchcourt Stainless is extending its range of stainless steel tubes. Quality, service and reliability are three factors that we are proud of, add this to a professional sales team, full UK coverage and a competitive pricing policy you know you can be confident when ordering from us.

As well as stocks in the UK we can also access our group stock of 5000 tonnes in both welded and seamless stainless tube. Giving us a greater ability to satisfy your requirements.

PERHCOURT STAINLESS MORE THAN JUST A STOCKHOLDER...

Perchcourt Stainless commenced trading in 1982 and its sales force has over 100 years of experience. Supplying stainless steel hollow section and tube to both stockholders and end users alike.

To enhance the range of products from stock, stainless steel sections have been introduced, for more details please visit our website www.perchcourt.co.uk

BENTELER

Benteler has four divisions: Automotive Components, machinery for automotive sector, steel tube manufacturing and the division we are in, distribution. The Benteler Group produces and distributes 920,000 tonnes of steel tube per annum. Employing 22,940 people worldwide and with a £5 Billion turnover the Benteler Group is a world class company.

LOGISTICS

We have strategically placed warehousing throughout the UK all using our own fleet of lorries, and with overnight trunking, stocks are available across the UK within 24 hours. Any item not held in UK stocks can be sourced by our sales team, please allow seven days if coming from Germany.

OUR MISSION

To ensure customers come to us because we offer:

Excellent service.

Good value.

Strive to perform better in all key areas of the business, by analysis and continuous improvement.

Integrating processes with customers to ensure we are their first choice supplier.

To continue our programme of Training, Development and involvement of staff, to achieve group goals.

Achieve the above profitably, to the benefit of all stakeholders.
